Sea View Caravan & Residential Home Park is just minutes from the picturesque town of Lytham and St Annes. Lytham Green stretches the length of the promenade with views across the estuary to Southport and is the setting for open air concerts and exhibitions throughout the year. Take a stroll through pretty tree-lined streets where you can enjoy the many specialist shops, pavement cafés and restaurants.

St Annes on Sea is a traditional victorian seaside resort with a pier, glorious sandy beach and lively shopping centre.

The park is situated on the banks of the River Ribble with excellent walks through an area of wildlife and migrating birds. A tranquil retreat not far from the tourist attractions of Blackpool and the Fylde Coast.
